A very fine auction - thank you to both consignors and buyers. I am pleased to see record prices [\*] for B.Browne, M.Shelton and W.J. Phillips prints and second best for a variety of others. For the record, 76% sold by lot at an average price of 20% over the low end of the estimate. Bidding came from three continents, four countries, eight states and nine provinces. I think I can finally claim to be a national auction and hopefully you, the clients will attest to the company policy that conscientious business ethics and polite service is our trade mark and will get the company through the next five years. To everyone that has been involved over the five year history of the company - thanks. Have a good summer and I look forward to seeing you in November.

PLEASE NOTE: Prices include buyer's premium of 10% Lot Numbers which are omitted were withdrawn, passed or unsold. While every attempt has been made to be accurate, we are not responsible for errors or omissions.
