This was one of the more interesting auctions in the case of extremes. Several of the prices where record prices [*] for the artist's work and several of the pieces where outstanding buys. Sales figures where 75% selling rate at an average price of 19% above the low end of the estimate. Again bidding and sales came from across this continent as well as overseas. Thank you for all of your support, we greatly appreciate it.

PLEASE NOTE: Prices include the buyer's premium of 10%. Lot numbers which are omitted were withdrawn, passed or unsold. While every attempt has been made to be accurate, we are not responsible for errors or omissions. DNL 97/11
