Prices include buyer's premium of 15%. Omitted lot numbers represent lots that were withdrawn, passed or unsold.

We had one of our best auctions and many thanks to all the people that contributed. The total sales represent 71.5% of total lots offered, selling at an average price of 127% of the low end of the estimate. Bidders and buyers came from Indonesia, China, Scotland, England and North Ireland. There were bidders from 8 different states in the U.S.A., and in Canada from New Brunswick to Salt Spring Island. The internet continues to draw interest with the second highest number of hits since we started back in 1997.

We are still very pleased with the location and staff at the Nickle Arts Museum and the next auction is scheduled for November 24th - **DEADLINE FOR CONSIGNMENTS - SEPTEMBER 16, 2002.**

Again thanks to all consignors and clients who made this auction such a success. Anna and I would be more than pleased to assist you with your appraisal needs or any other art related questions you may have. Have a great summer!

Many Thanks
