Prices include the 15% buyer's premium. Lot numbers which are omitted represent lots which were withdrawn, passed or unsold. We sold 75.4% of the lots offered for an average price of 126% of the low end of the estimate - a very fine result. But perhaps not surprising considering the economy and the sheer volume of interest on the internet with 1.2 million hits registered in the 30 day period prior to the show. New bidders and buyers were found through out this continent and abroad and of course across Canada. A record price was set for Ethel Curry' Untitled - Morning's Catch at \$9,775.00 more than twice the estimate and heavily contested between eastern Canada and west selling to a client in Calgary. The Peter Whyte on the front cover at \$7,475.00 was the second highest price at auction for the artist and consistently the hammer price was well into the pre-sale estimate if not above. Thank you to all of our consignors, bidders and buyers.

We are now preparing for our next auction, April 17th, 2005 at The Nickle Arts Museum.

Deadline for consignments is February 1, 2005 so don't delay.

May the holiday season bring both good cheer and health and some fine art.
